

Home Storage Remedies Built-In Pantry Cabinets

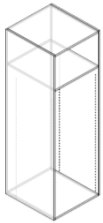

As you review the pantry cabinet sleeves below, please keep the following in mind. 1) Cabinets can be combined for wider spaces. 2) All sliding shelves are sold separately. 3) Cabinet(s) will be made-to-measure for the exact measurements of the space; use the next highest width to your actual opening measurements for pricing. For example, a 19" opening would be priced at 21" on the chart. 4) These cabinets are designed to be inserted into the pantry closet. Stand-alone units are priced on a quote basis only.
